

Alma Cebrián

Versatile compositing artist with a strong interest in visual storytelling, VFX, motion graphics, team leadership and on-set VFX supervision. Ready to bring bold ideas to life on screen.

EXPERIENCE

Ingenuity Studios – Los Ángeles, USA — *Nuke compositor*

Jun 2022 - Present (**Remote**)

- Develop and implement the visual style of hero shots.
- Execute seamless photorealistic multilayer integration of live-action footage, photographic assets, cleanups and CGI elements.

Freelance Compositing and Motion Graphics – Worldwide

Dec 2016 - Present (**Various clients**)

- Develop a compositing / motion graphic workflow so the client can be involved in the progression from bidding, sketching, style frames and WIP deliveries, to the final composite shot so it integrates to the sequence continuity seamlessly.
- VFX supervisors assist in quality checks for daily incoming material from other artists..
- On set supervision addressing best practices for later VFX integration.

Feroz Carmesí – CDMX, Mexico — *Lead artist*

Dec 2020 - Jun 2022 (**Remote**)

- Developed and implemented the visual style of hero shots.
- Defined workflows, coordinated team task distribution, oversaw quality control and handled internal approvals.
- Led on-set visual effects supervision.
- Handled compositing, motion graphics, and visual effects tasks.

LABO – CDMX, Mexico — *Lead artist*

Apr 2019 - Dec 2020

- Oversaw the visual effects department, developing and implementing the visual style of hero shots.
- Led on-set VFX supervision, defined project workflows, breakdowns, and strategically managed team distribution.
- Ensured high standards quality control of both incoming and final assets.

LABO – CDMX, Mexico — *Compositing and motion graphics artist*

Dec 2016 - Apr 2019 (**Promoted**)

- Handled compositing and motion graphics tasks.

Mexico City, Mexico
